February 4, 2010

Subject	PUB 68 DISTRIBUTION
----------------	----------------------------

Effective Date	Upon receipt
-----------------------	--------------

References	E-mail notification dated January 29, 2010
-------------------	--

Purpose	The purpose of this letter is to inform workers that due to a court case all distribution of the Pub 68 must stop immediately.
----------------	--

Background	The Pub 68, Medi-Cal What It Means to You, is provided to all Medi-Cal applicants and beneficiaries to provide information about Medi-Cal benefits.
-------------------	---

Change	Information in the Pub 68 incorrectly reflects the status of the Maximum Adult Health Care (ADHC) services per day and per week. A federal court ruling was issued September 10, 2009, in the matter, <u>Brantley v. Maxwell-Jolly</u> , that the reduction in days of ADHC services would not take place.
---------------	--

State Actions	The Medi-Cal Eligibility Division will take measures to correct the error and will provide additional directions on when to begin distribution of a revised Pub 68.
----------------------	---

Required Action	The Pub 68 is to be removed from all application and redetermination packets immediately. Until further notice, no Pub 68 should be provided to a Medi-Cal applicant/beneficiary or the general public.
------------------------	---

Automation Impact	No automation impact.
--------------------------	-----------------------

Forms Impact	Pub 68 must be removed from all application and redetermination packets.
